PUBLIC COMMENT:

ADDENDUM: Chairman Lehman acknowledged receipt of letter from Derck & Edson, granting an extension of time to Pequea Township, for a formal decision on the subject Storm Water Management plan, for an additional 45 days.

NEW BUSINESS – MS4 Workshop- Jim Caldwell of Rettew began the workshop discussing DEP’s new requirements for Storm Water Discharges from Small Municipal Separate Storm Sewer Systems (MS4) and the steps Pequea Township must take to be compliant. He stated that Rettew has outlined a written program that consists of six Minimum Control Measures (MCMs) and other required actions. He stated that within these MCM’s are identified best management practices to which the township must adhere. Mr. Caldwell said they will use the written program to develop a template that will be reviewed with Mark Diemler and the township in order to customize it to meet the township’s needs. The template will also be comprised of guide implementation and good housekeeping strategies.

Rettew is attending a training course on March 19, 2015, to obtain more information on developing and implementing a Chesapeake Bay Pollutant Reduction Plan.

Chairman Lehman moved to authorize the Secretary to advertise a Special Meeting, to be held April 15, 2015 at 9:30 a.m. for a second MS4 workshop. Supervisor Evans-Herr seconded the motion. All voted in favor, none opposed

ADJOURNED 10:03 a.m.

Respectfully submitted,

Sandra D. Graham, Township Secretary
