

Improving Property and Structure 2023

**Coming Soon
Salt Shed
Storage Building**

WE ARE EXCITED TO ANNOUNCE THE LONG AWAITED CONSTRUCTION OF A NEW SALT SHED AND STORAGE BUILDING. AS YOU CAN SEE IN THE PICTURES, OUR CURRENT SALT SHED AND STORAGE AREA ARE IN GREAT NEED OF REPAIRS. IN 2023 WE WILL IMPROVE OUR PROPERTY AND STRUCTURES BY REPLACING THE ENTIRE STRUCTURE WITH ONE BUILDING DEDICATED TO SALT STORAGE AND ANOTHER ADDITIONAL BUILDING DEDICATED TO EQUIPMENT LATER IN THE YEAR. WE ARE EAGER TO BE UNDERGOING THIS PROJECT.
