RECYCLE RIGHT Lancaster ✓

Some items are recyclable, but should not go in your recycling bin. Items such as newspapers, cereal boxes and plastic bags may be delivered to local drop-off locations.

For a list of locations that accept a variety of other recyclable materials, visit earth911.com.

**It's okay to throw
everything else away.**

1 in 5 area homes are powered with trash.

Lancaster County has an advanced waste-to-energy process that converts these materials into renewable energy, powering local homes and businesses and helping to reduce our reliance on non-renewable sources of energy.

So, when in doubt, throw it out.
